## How to clean protective plexiglass sneeze guard

Daily cleaning & disinfectant products:

Cif 2in1 Cleaner Disinfectant

Periodic cleaning products:

Cif Glass & Multisurface

**1**

Wearing gloves, spray recommended cleaner disinfectant on clean cloth and wipe surface. Leave to work for 5 min.

**2**

Soak cloth with clean water and rinse surface. Leave to air dry.

**3**

Over time there may be some build up. Remove periodically using a glass cleaner.

**4**

Plexiglass and polycarbonate are sensitive materials. Please do not use any abrasive cleaning tools.

Use biocides safely. Always read the label and product information before use.
